Sorry- Rob- here is the article! I forgot to keep the attachment!  
Not sure what state Mike's notes are in..I figure we'll need to review before Cabot comes in to enlighten us to what their data means.

Hi Karen,  
I found the 2006 USGS paper cited by Cabot in yesterday's news article (published in 2007 but given a 2006 date). I've actually read this one already and I have notes on it.
